Re: Worksession: Our Town Planning

---

### **Purpose**

The purpose of this Worksession is to allow P&Z members to review the work performed on a physical model prepared for the Town by Vision Design to show existing and potential buildings on Our Town Planning Parcels. The initial model will include the CDC property, RMI, Roaring Fork Conservancy and River Park area, Lions Park and Merino Park. In the future additional areas can be added.

**Note:** The Our Town Planning website [www.ourtownplanning.org](http://www.ourtownplanning.org) contains additional information and documents which the P&Z might find helpful in developing zoning recommendations for the properties. Prior P&Z agenda packets can also be downloaded from the Town's website [www.basalt.net/AgendaCenter](http://www.basalt.net/AgendaCenter)
