## Memorandum

To: Planning and Zoning Commission  
From: Susan Philp AICP, Planning Director  
Date: February 22, 2016 and February 23, 2016  
Re: Worksession: Our Town Planning

---

### **Purpose**

The purpose of these Worksessions is to allow P&Z members to further review the work performed on a physical model prepared for the Town by Vision Design to show existing and potential buildings on Our Town Planning Parcels and to prepare for the Council's discussion on February 23, 2016.

The Worksession on Tuesday, February 23<sup>rd</sup> is posted only to give the P&Z the opportunity to gather again before the Council meets later that night. The P&Z can decide if this additional worksession is needed.

<p><b>Note:</b> The Our Town Planning website <a href="http://www.ourtownplanning.org">www.ourtownplanning.org</a> contains additional information and documents which the P&amp;Z might find helpful in developing zoning recommendations for the properties. Prior P&amp;Z agenda packets can also be downloaded from the Town's website <a href="http://www.basalt.net/AgendaCenter">www.basalt.net/AgendaCenter</a></p>
