TOWN STAFF TO ENTER INTO CONTRACT FOR THE UPDATE TO THE TWO
RIVERS ROAD GREENWAY MASTER PLAN**

**Town of Basalt, Colorado
Resolution No. 26
Series of 2015**

RECITALS

1. The Town adopted the Two Rivers Greenway Master Plan in 2007 as part of the Town's Master Plan.
2. The Town Council identified implementing the Two Rivers Greenway Plan as one of its top priorities in their 2015 Work Plan.
3. Several things have changed since 2007 leading to the need for the Town to check in on some of the fundamental elements included in the 2007 Plan to determine if they are still valid and to add additional character areas.
4. Loris and Associates prepared the Town's 2007 Greenway Master Plan and subsequently prepared the Conceptual Engineering Design Report for Two Rivers Greenway Phase I.
5. The Council desires to engage Loris and Associates to do enough work that they can hear from the public on very crucial elements of the Plan and then re-evaluate the next steps.

NOW, THEREFORE, BE IT RESOLVED by the Basalt Town Council of Basalt, Colorado, as follows:

Based on the evidence, testimony, exhibits, and comments from the public and Town Staff, the Basalt Town Council hereby directs Staff to enter into the Agreement for Professional Services with Loris and Associates to perform professional services for the Two Rivers Road Greenway Master Plan substantially in compliance with the Proposed Agreement for Professional Services presented at the Town Council's May 26th meeting for tasks under Tasks 1 and 2 with an additional \$4,000 to conduct traffic counts, and subject to review and approval by the Town Attorney.
