

PITKIN & EAGLE COUNTY STAGE 1 FIRE RESTRICTIONS

What is Allowed?

Fires in permanent fire pits at private residences or within developed recreational sites such as
A campground, or picnic area.

Chimineas, fire pits, and tiki torches at private residences or within a developed park, campground, or picnic area supervised by a responsible adult.

Fires contained within liquid fueled or gas fueled stoves, lanterns, or heating devices.

Agricultural burns with Fire District **Issued Permit Only!**
Individual Fire Marshals reserve the right to do a safety inspection prior to issuing permit.

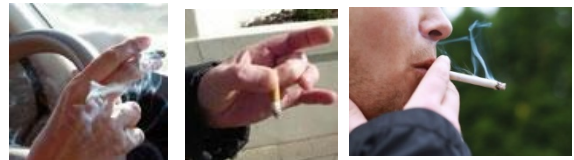

What is NOT Allowed?

Building, maintaining, attending, or using a fire or campfire outside of a developed recreation site, or improved site.

Smoking, except within an enclosed vehicle, or building, at a developed recreation site, or while stopped in an area of at least 3 feet in diameter that is barren or cleared of all flammable material.

Operating or using an internal or external combustion engine without an approved spark-arresting device properly installed, maintained, and in effective working order meeting either the USDA Forest Service Standards or appropriate Society of Automotive Engineers (SAE) recommended practices.

Use of any personal fireworks or explosive requiring fuses or blasting caps as defined by Colorado Revised Statute 12-28-101 (8).

WHAT DOES "STAGE 1" MEAN?

The first stage occurs when there is an increasing fire danger and/or an increasing preparedness level, and the risks of keeping lands open to all activities begins to be outweighed by the risks inherent in doing so. Stage 1 imposes relatively minor restrictions aimed at preventing the start of wildfires based on human activities that are known to be high risk, specifically smoking and campfires.
