Press Release:

Next community ski and ride day scheduled for Snowmass February 4

Jan. 31, 2022 – Local leaders including the Eagle County Commissioners are inviting skiers and riders to join them for some runs on selected Fridays this season following a series of successful ski outings in years past. The gatherings are intended to facilitate a casual conversation among community members outside the structure of formal meetings.

The next ski/ride outing is scheduled for Friday, Feb. 4. Participants are asked to gather at 10 a.m. at the Intercept Lot, or at 10:30 a.m. at the base of the Elk Camp Gondola in Snowmass Village. The commissioners plan to stop for lunch at around 12:30 p.m. at Base Camp Bar & Grill.

Originally organized by former Vail Councilman Greg Moffet and Eagle County Commissioner Kathy Chandler-Henry, the outings are a way to connect local leaders with people who are passionate about the outdoors.

No RSVPs are needed to take part in ski and ride days. Participants simply need to assume responsibility for their own equipment, lift ticket and lunch. An intermediate ability level is advised.

The networking and outreach events have resulted in a broad representation of the community, bonded by an appreciation of what drew many of us here.

The final ski days is planned for March 25 at Beaver Creek. Times and locations for that day will be announced later in the season.
